

HOW ARE THE CHILDREN

HTC

LOOKING BACK TO MOVE *FORWARD*

A mirror of the past and window to the future!

Come with us as we revisit and update stories of students and families from the last two decades of our work, revealing timeless story truths of resilience and personal growth.

An expansion to the iconic Connect With Kids library

How Are The Children presents moving and remarkable student transformations, from wide-eyed children to thriving adults. These time-released, digital retrospective episodes augment our library of hundreds of PreK-12 original films for students, families, and teachers, accompanied by evidence-based, lifelong learning texts.

RETROSPECTIVE SERIES

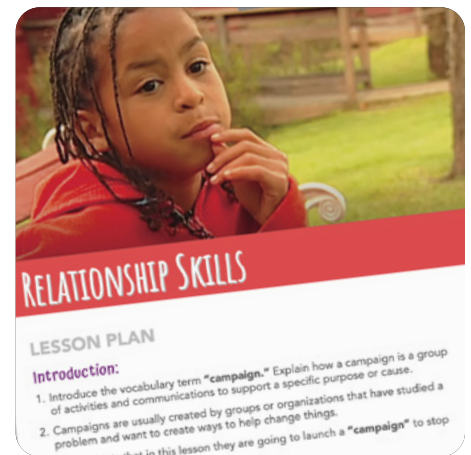

A retrospective that only CWK Network could do, these story updates, time-released as digital episodes, build on our library of timeless story truths of resilience and personal growth amassed over the last twenty years.

PREK-12 ORIGINAL FILMS

The core Connect With Kids library is a dynamic tool with age-appropriate lessons for grades PreK to High School. With robust print lessons for PreK-2 and engaging print and video lessons for grades 2 through High School, its your go-to resource for fostering lifelong learning.

EVIDENCE-BASED RESOURCES

Accompanying Connect With Kids videos are lessons and evidence-based resources that have been proven to help increase self-awareness, build positive relationships, engage in constructive conversations, and develop positive behaviors that improve lives.
